Scholarship Information

Information for High School Graduates

Congratulations on your upcoming high school graduation. In order to clarify the scholarship application process, please take the following steps:

1. Read over the criteria listed under each scholarship offered at Simpson to assure that you meet the requirements.
2. Fulfill the required community service hours and submit the attestation of volunteerism forms with your application.
3. Note that the Simpson Church scholarships require a different application form that must be submitted to the scholarship committee at Simpson by the due date. The scholarship application for the Japanese American Community Graduation Program is a separate application. Find more information for those scholarships at jacgp.com.

Information for Continuing College Students

1. Read over the criteria for the Gene and Kimiko Side Scholarship for continuing college students.
2. Please note that you need to complete your five hours of volunteering at Simpson and include the attestation of volunteerism forms with your application.
