

The Vision of Simpson United Methodist Church is to create spiritual and cultural spaces for all.

As a night runner, the months of May through July are my favorite months of the year. Running at sunset is magical as beautiful splashes of pink and purple melt into the deep blue skyline. The neighborhoods are filled with children riding bikes and playing basketball in the streets. Laughter echoes in my ears as families gather around charcoal BBQ grills. The busyness of the long day is suspended, allowing the Holy Spirit to speak to my heart.

Running requires commitment, motivation, and setting goals. Being a disciple that carries the good news to the world needs the same dedication as we seek to understand God's will in our lives. The word "disciple" means "learner." This suggests that discipleship is a learning processing; a process of learning what it means to follow the ways of Jesus – what it means to love one another, to love a stranger, and love someone different than us. The focus of discipleship is trying to understand what Jesus is seeking to teach us.

In the stillness of your busy life, what do you hear from the Holy Spirit? Do you feel a nudge that encourages you to follow the Spirit in a new direction? What happens when your journey of learning encounters opposition or involves risk? Since our journey as a disciple is a lifelong journey, we don't have to answer such questions today. All we have to do is have the dedication to strap on our running shoes and be open to Jesus' teaching today.

May your journey as a disciple be filled with sunsets.

Pastor Leah

Yeah, after last year's freeze out we will have peaches this year. Again as in prior years, the peach committee or SUMC will not be responsible for any peaches not picked up on the date of availability. Please ensure we have your contact phone or cell number in case of any last minuet changes. Thanks in advance for your support for SUMC's annual fund raiser.
